in @Lilo Noël

Assets

Patient and rigorous

I am a very patient person who appreciates a job well done.

Team or individual work

I know how to work in a team as well as alone and I am just as productive.

Languages

English

B2

Spanish

B2

Interests

Sport and hobbies

I do Taekwondo and music, in fact, I am a pianist and guitarist.

Others interests

I am passionate about music and reading, but also about computers.

As a first-year student in the BTS SIO (Computer Systems in Organizations) program, I am seeking an internship from May 12th to June 20th, 2025, in the field of web development.

IT Skills

Web Dev

I have gained a good level of proficiency in HTML, JavaScript, and CSS through self-study and various courses.

App dev

I learned the basics of many languages such as C, C++, C#, Java, etc. Thanks to this, I have a very good versatility in different languages. But also a very good level in Python and Javascript.

Environment

I know how to use some kind of dev environment such as NetBeans and LAMP.

Database and Big Data

I know how to use SQL and MySQL.

Mastered software

Visual Studio Code

I know perfectly how to use it daily

Office Suite

I am also very good at formatting and creating Word, Excel, PowerPoint documents, and so on.

Work experience

User support internship

May 2022 [DimoSoftware](#) Nantes (44000)

This internship really showed me what working in a company was like, it also allowed me to see how it works and the importance of teamwork and communication. I was able to see the different poles such as developers, managers, support etc...

Primary School Internship

May 2021 [Ecole primaire Saint Louis](#) Saint Colomban (44310)

This internship taught me the meaning of organizing a class and managing many people.

Education

BTS SIO

Since September 2024 [La Joliverie](#) Saint-Sébastien-sur-Loire

Currently studying in the BTS SIO (Service for Organizations) training at La Joliverie in Saint-Sébastien-Sur-Loire.

Baccalauréat

From June 2024 to July 2024 [Collège/Lycée Saint Joseph](#) Machecoul

Obtained with honors and the Mathematics and NSI specialties with the Latin and Expert Maths options.
